## Improving Your Credit Rating

### Now is the Time to improve your credit score!!

Your credit score is a very important part of building wealth and becoming financially independent. I know you can build wealth and improve your financial situation regardless of your credit score, however, it should be everyone's goal to have a very high score. If you have not pulled your personal credit report this year, there is still time left before 2007 is over. Request your credit report today and correct any discrepancies you may find. By doing this now, you should have most issues resolved by the end of January 2008. I am providing you with two major credit reporting agencies to obtain your credit scores and reports:

**Equifax Canada Inc.**

**P.O. Box 190**

**Station Jean-Talon**

**Montreal, PQ, H1S 2Z2**

**Tel: 1-877-323-2598**

**Web: [www.equifax.ca](http://www.equifax.ca)**

**Trans Union Of Canada**

**P.O. Box 338 L.C.D.I.**

**Hamilton, ON, L8L 7W2**

**Tel: 1-877-713-3393 (Quebec)**

If you are a member of my wealth building team, feel free to contact me for assistance on repairing your credit, building your credit, and all of your real estate needs. If you are not a member of my wealth building team, join me at one of my upcoming FREE wealth building seminars to get more information. We would love to have you!!

**Have a happy and safe holiday season!!**

**Note: You are allowed to request your credit report multiple times during a given year, without it affecting your score. Regardless of what your current credit score is, you should always strive to improve it.**
